                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        AAM34727 standard; protein; 62 AA.
Peptide #8764 encoded by probe for measuring placental gene expression.
WO200157272-A2.
                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              AAM20362 standard; protein; 62 AA.
Peptide #6796 encoded by probe for measuring cervical gene expression.
WO200157278-A2.
                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                 AAB38599 standard; protein; 62 AA.
Human secreted protein sequence encoded by gene 17 SEQ ID NO:136.
WO200056882-A1.
                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                             ABB40953 standard; peptide; 62 AA.
Peptide #8459 encoded by human foetal liver single exon probe.
WO200157277-A2.
                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       D ADJ07717 standard; protein; 56 AA.

E Human cardiovascular system associated polypeptide SegID1105.

N US2004005575-A1.

D 08-JAN-2004.
